

# Low Volt Mechanical Timer Date Code key 29100020

## Understanding Date Codes on Landscape Products' Low Volt Mechanical Timer

Attention all users of Landscape Products' Low Volt Mechanical Timer: To identify the manufacturing date of your timer, please refer to the date code on the product's back. **The number 01-52 indicate the week, the letter indicates the year of manufacture. Codes ending with the letter "R" indicate a production year of 2023, whereas those ending with "S" signify 2024.** It is vital to be aware of your timer's production year for warranty purposes and to ensure we **all** get credit for the warranty replacement. Always refer to the user manual or our official website for further details on product. Thank you for choosing Landscape Products!

### Warranty:

Landscape Products, Inc. warrants Low Volt Mechanical Timer 29100020 to be free from original defects in material and workmanship for a period of one (1) year from the date of manufacture, when used as intended.
