

Polyethylene & PVC Vinyl Tubing

Polyethylene and algae resistant PVC vinyl tubing manufactured by Landscape Products, Inc. are ideal for use in low volume drip irrigation systems in both landscape and agricultural applications.

With UV stabilizers to protect against sun damage, excellent environmental stress-crack resistance and a variety of industry sizes and custom dimensions, you can count on Landscape Products' tubing.

Additional Features

- Our Vinyl Tubing is made from the highest quality algae resistant PVC resins.
- Our Polyethylene Tubing is available in solid black or black with a red, white or purple stripe.
