

8/31/2018

Dear Landscape Products Customers,

Please be advised that new regulations under California's Safe Drinking Water and Toxic Enforcement Act of 1986, more commonly known as "Prop 65", become operative on September 1, 2018.

Landscape Products® components are comprised of many different raw materials, some of which are Prop 65 compliant, while others are not. While most of our products will display the Prop 65 warning, some individual parts may not be practical to display the warning. The various warning types are below.

Some Landscape Products® components containing leaded brass are subject to additional Prop 65 regulation, except where Certified by NSF International to be lead-free.

PVC and CPVC Pipe, Fittings and Valves

WARNING: This product can expose you to chemicals, including Titanium Dioxide (only when airborne as unbound particles of respirable size), which are known to the State of California to cause Cancer. For more information, go to www.P65Warnings.ca.gov.

Fittings containing leaded brass except where Certified by NSF International® to be "lead-free"

WARNING: This product can expose you to chemicals, including Titanium Dioxide (only when airborne as unbound particles of respirable size), which are known to the State of California to cause Cancer; and Lead, which are known to the State of California to cause Cancer, birth defects or other reproductive harm. For more information, go to www.P65Warnings.ca.gov.

Products with drip tubing, O-rings and gaskets are subject to the following California Prop 65 regulation:

WARNING: This product can expose you to chemicals, including Carbon Black (only when airborne as unbound particles of respirable size), which are known to the State of California to cause Cancer. For more information, go to www.P65Warnings.ca.gov.

As you can see from the above statements, it really depends on the individual part number, of which we will be happy to inform you of its contents and compliance. If anyone has any questions concerning this letter please feel free to contact Landscape Products for further assistance.
