

Heavy Duty Valve Boxes

HIGH IMPACT CONSTRUCTION FOR STRENGTH AND DURABILITY

Landscape Products valve boxes are engineered for the professional contractor, with the superior strength required for commercial and utility applications. They feature thicker wall dimensions for increased strength and durability, reinforced covers for heavier loads, reinforced ribs for sidewall strength and high impact construction.

Features

- Overlapping covers prevent dirt and grass from settling between body and cover
- Reinforced covers for heavier loads
- 7-inch models available with green for turf installations, tan for decomposed granite applications and purple cover for use with non-potable or reclaimed applications
- 6-inch emitter box with deep opening that allows for multiple drip micro tubes
- Reinforced ribs for increased sidewall strength
- High-impact construction
